

**SAN DIEGO COMMUNITY POWER
REQUEST FOR PROPOSALS (RFP)**

for

**Customer Center and Data Management (“CCDM”)
Notice of Addendum #1**

In accordance with CCDM RFP Section VI (Reservation of Rights), SD Community Power amends the RFP as follows:

1. Amended Section V.B (Content and Format of Proposal)

The following language had been modified:

“Proposers should submit their ~~Proposal PDF~~ as a single PDF with the exception of any proposed modifications to Attachment C, which may be submitted along with the Proposal as a separate Word document. The Proposer’s submission should include the following items shown in this section and in the order listed as a PDF:”

2. Amended Section V.B, subsection 3 (Proposed Approach Narrative)

Increased the page limit for the Proposed Approach Narrative required document to twenty pages (up from 5 pages).

3. Amended Section IX (Attachments)

Added **Attachment F – 15-minute interval data sample** to the list of attachments in this section and posted the Attachment to the SD Community Power website under www.sdcommunitypower.org/resources/solicitations.
