# SAN DIEGO COMMUNITY POWER REQUEST FOR PROPOSALS (RFP)

for

## Customer Center and Data Management ("CCDM") Notice of Addendum #1

In accordance with CCDM RFP Section VI (Reservation of Rights), SD Community Power amends the RFP as follows:

### 1. Amended Section V.B (Content and Format of Proposal)

The following language had been modified:

"Proposers should submit their <u>Proposal PDF</u> as a single PDF <u>with the exception of any proposed</u> <u>modifications to Attachment C, which may be submitted along with the Proposal as a separate <u>Word document. The Proposer's submission should</u> include the following items shown in this section and in the order listed as a PDF:"</u>

#### 2. Amended Section V.B, subsection 3 (Proposed Approach Narrative)

Increased the page limit for the Proposed Approach Narrative required document to twenty pages (up from 5 pages).

### 3. Amended Section IX (Attachments)

Added **Attachment F – 15-minute interval data sampl**e to the list of attachments in this section and posted the Attachment to the SD Community Power website under <a href="https://www.sdcommunitypower.org/resources/solicitations">www.sdcommunitypower.org/resources/solicitations</a>.
